Change bitmap image to pdf

I have BitmapImage in C. I have to do on the operation image for example grayscaling, adding text on the image, etc. I have found a function in stackoverflow for grayscaling that accepts Bitmap and Bitmap returns. So I need to convert BitmapImage to Bitmap, perform operations and turn back. How do I do this? Is that the best way? BMP conversion is the world's simple. Just select your bitmap photo or drag - drop it below, press convert to JPG button, and you'll get a JPG. Press the button, grab the GPS. No publicity, nonsense and garbage. Only works in modern browsers. Announcement: We recently launched mathematical tools for developers. Check it out! - OR - Drag and drop your BMP image here! Professional tip: You can use the Input Text Argument Query to pass text to tool.
